**Understanding Kingdom Concepts**

The message of the bible is about a King, a Kingdom, and His royal offspring.

(God) ('Elohim, 'El, `Elyon, Shadday, Yahweh; Theos)

God is the King of both the Invisible and Visible realms –the spiritual world and the physical universe. He is El Shaddai, God Almighty, the Ruler who sets all the standards in heaven and earth. He lives in and rules the unseen realm and is the creator and owner of the seen realm, where He also created human beings to rule under His authority as vice-regents of the earth. As King of everything, God is the standard setter, the rule establisher, and the judge of all things. That is what it means to be King!.....Dr. Myles Munroe
